

Graduate/Intermediate Surveyors Taupo & Hamilton

Looking for exceptional grounding in your Surveying career? How about a leading multi-disciplinary consultancy with over 77 years' experience to get you on the right track?

Cheal provides **Surveying, Engineering** and **Planning** expertise to a national client base. With Land Development experiencing significant and sustained growth throughout the Waikato and Central North Island, Cheal provides the perfect opportunity for those of you who seek a high quality lifestyle while progressing your career.

We currently have vacancies for Graduate/Intermediate Surveyors and Survey Technicians in our **Taupo** and **Hamilton** offices, situated on the doorstep of the ultimate lifestyle region of the Central Plateau.

The following essentials are required :

- BSurv (New Zealand) or NZ National Diploma in Surveying
- Exposure to NZ Cadastral and Engineering survey projects & fieldwork
- Knowledge of 12D & AutoCAD
- An aptitude for technology and a keen eye for detail.

Applicants must be **New Zealand qualified** and experienced and must have the right to work in New Zealand. Full, clean driving licence and skills in MS Office essential.

Cheal is committed to Health and Safety and equal opportunities in the workplace. For a full Job Description please contact :
