Licensed Cadastral Surveyor

GeoMetrix Land Development Specialists is a progressive survey, architectural, construction and planning consultancy, operating from Te Aroha in the Waikato.

We are seeking an experienced Licensed Cadastral Surveyor with interest in engineering design, to be based in our Te Aroha office. This position is an 8am to 5pm role and the projects we are involved in, will satisfy the needs of an experienced development professional. Experience in 12D would be an advantage and the ability to work as part of a team who works hard but understands the balance in life.

The position will be based in Te Aroha, a town nestled under Mount Te Aroha in the Kaimai ranges. The mountain and its ranges offers extensive tramping, mountain biking, rock climbing, hunting and swimming activities and Te Aroha is situated centrally to Hamilton City, the Coromandel and Bay of Plenty beaches and the ski fields of Ruapehu. If you are after an outdoor lifestyle, a five minute drive to work, cost effective housing and a welcoming community then Te Aroha is a must.

A competitive remuneration package would be negotiated with the successful applicant. All applicants will be treated in the strictest confidence.

To apply for this position e-mail your CV to:
shaun@geomatrix.co.nz | **Shaun O'Neill, Director**
