

BE PROUD WE ARE

Zarnaz Mehryar
Senior Geotechnical Engineer

Senior Technician Surveyor

At the Christchurch City Council our work is the city that surrounds us. When you join our team, the results and success of your work are evident in every facet of city life. We work together every day to shape a community and create a city that we can be truly proud of.

Vertical Capital Delivery and Professional Services is accountable for both short-to-medium term infrastructural planning to accommodate growth and asset management planning. It ensures that our planning is efficient, effective, integrated and in line with the medium-to long-term planning of the whole organisation.

The role of a Senior Technician Surveyor is integral to providing cadastral and engineering surveying services for water supply, stormwater and wastewater utilities, roading, housing and recreation facilities to enable delivery of the Council's capital programme. You will work as part of our shared service model, providing services to a range of diverse teams within the Council.

You will hold a NZQA level 6 diploma in Land Surveying, or an equivalent tertiary qualification with significant Cadastral, Control and Engineering Surveying experience along with an Associate Membership for the New Zealand Institute of Surveyors. Your success in this role will be your relevant cadastral and engineering survey experience, with demonstrated experience in dealing with complex cadastral earthquake issues.

Using your excellent communication and relationship building skills, you will work closely with and manage partnerships with key stakeholders both internally and externally. As a senior member of the team you will be a proven leader, with experience in coaching and mentoring team members, supporting them to achieve their objectives.

You will join a collaborative team, who work with the latest in engineering and surveying technology in a modern and vibrant office in Christchurch's CBD. We offer the opportunity to create a great work/life balance as well as the chance to play a part in the design of our brand new city.

Take on a role at the Council, and take pride in making a difference to our great city every day. It's time to get in touch.

To apply for this job, please go to our job site and enter the job code 8665NZIS.
