
Licensed Cadastral Surveyor /Branch Manager

- **Senior position with shareholding options**
- **Well established progressive company**
- **Location in Penrose office**
- **Family orientated company**

Are you ready to progress your career and become an integral part of a well established and progressive company. Are your skills recognized and suitably rewarded? Do you have the desire to play a leading role in a Company?

We keenly seek applications from Licensed Cadastral Surveyors with the necessary skills to oversee a range of developments. Your urban design and contract administration skills will provide you with a range of exciting work, along with a variety of cadastral and planning work.

We are a ISO registered Company, established in 1989 and are involved in a wide range of urban and rural projects from Auckland to the Waikato. With branches in Auckland, Pukekohe and Hamilton we are located in the heart of the fastest growing regions in the country. Our 30 strong team of Surveyors, Planners and Engineers enjoy the benefits of a well established family company, without the hassles of a corporate environment.

This position offers an exciting role involving Project Management, Cadastral Surveying, Office Management, as well as being an integral member of a highly reputable firm. We are looking for the right person who can think strategically and help progress the growth of the company. The successful candidate will play a significant role in the direction and growth the Auckland office. While this ideally suits a LCS with 5+ years experience, we are also interested in hearing from recently licensed Surveyors ready to develop into this role with the support and encouragement of the Company.

Do you have?

- Appropriate experience since Licensing
- Experience with 12D and Landonline
- A desire to progress your career
- A desire to become a strategic member of our team, contributing to the growth of the Company.

To the ideal candidate Birch Surveyors is offering a very competitive remuneration package; the opportunity to work with a supportive friendly team and an exciting senior role enabling you to develop your business skills. The company has a positive attitude to staff shareholding and actively encourages staff development.

Don't let this opportunity slip you by. Take the next step and send a cover letter and CV to:
