Cogswell Surveys Ltd is a well-established Firm servicing the Waikato region since 1964.

We specialize in Land Development projects with a variety of large residential developments currently under design and construction.

We have a fantastic opportunity for a Licensed Cadastral Surveyor to join our expanding and highly qualified team in a senior role.

Cogswell Surveys Ltd are committed to providing a service that exceeds our client's expectations every time and therefore we require a candidate who:

- Has expert knowledge of the NZ Cadastral system;
- Has advanced engineering design skills;
- Is proficient with 12d software and Landonline;
- Is familiar with Leica Total stations, Topcon GPS and Machine control;
- Has a positive and can-do attitude;
- Is self-motivated and has an eye for detail;
- Able to provide positive mentoring and leadership to our junior team members;
- Is agile and innovative;
- Has a high standard of communication.

In return we can offer you an excellent working environment with a supportive team, a competitive remuneration package (to be negotiated with the successful candidate) and the ability to work with cutting edge technology.

Cambridge is a friendly and relaxed town which is currently seeing great growth. It has become a popular place to live with a wide range of sporting and recreational opportunities, a vibrant town Centre and café culture, and its close proximity to Hamilton, both coasts and Lake Karapiro.

Applications treated with the strictest confidence and should have NZ residency or a valid work visa.

Closing date: 1<sup>st</sup> December 2017.

Please send your CV and covering letter too:
