Calibre Consulting is growing and we need surveyors to join our team:

1. Auckland – Experienced graduate, technician or newly licensed surveyor to work on some of Auckland's high-profile housing projects.
2. Wellington – Survey Business Leader and/or experienced Licensed Cadastral Surveyor. An excellent opportunity to both lead and mentor a young team and grow into business leadership.

Additionally, Calibre is on the LINZ Geodetic Panel and surveyors who join our team will have the opportunity to be part of a variety of associated panel projects.

If you are interested in any of these opportunities, please contact Mingo Innes (021 468 004) or Brett Gawn (021 727 052), or apply via our [website](http://www.calibreconsulting.co).
