

Surveyor wanting more?

Tired of traffic and 2-lot subdivisions? And how's the technology going for you? Wishing you had new toys to play with and variety in the landscape?

Cheal provides Surveying, Engineering and Planning expertise to a national client base. With over 77 years in business, we know our land and we understand the needs of our clients. We provide first-class working facilities, advanced surveying technology and a highly supportive team culture.

We currently have a vacancy for a Licensed Cadastral Surveyor in our **Taupo** office, situated on the doorstep of the the ultimate lifestyle region of the Central North Island. If you're looking for a positive change, with a wide variety of projects to work on, we'd like to hear from you.

The following essentials are required :

- BSurv
- A current CSLB Practising Certificate
- Proven experience in the New Zealand cadastral system.
- A high degree of competency in 12D and/or AutoCAD
- An overall aptitude for technology and a keen eye for detail.
- Bonus points for experience in GIS, drone surveys and 3D laser scan surveys

Applicants who are unable to demonstrate the requirements may not be considered. Full, clean driving licence and a good level of physical fitness essential.
