WOULDN'T IT BE GREAT TO WAKE UP HERE EVERY DAY?

## **LICENSED CADASTRAL SURVEYOR WANAKA**

Southern Land is a medium sized consultancy with a head office in Wanaka and smaller offices in Queenstown and Auckland. We are seeking a Licensed Cadastral Surveyor to join our thriving Wanaka team.

The successful applicant will play a key role on a varied range of projects for our diverse client base. Our work covers the full spectrum of services, from topographical and Land Transfer surveying, set-outs and resource management planning, to civil design and project management. You will be involved at the forefront of some exciting land developments across the Otago region, from small two-lot subdivisions through to several hundred lot subdivisions. "Bored" is not a word in our dictionary.

We offer highly competitive pay rates, and the opportunity to work in a multi-disciplinary team of experienced and friendly professionals, whilst living in an area renowned for its natural beauty and outstanding outdoors lifestyle.

You will be a Licensed Cadastral Surveyor with expert technical knowledge and experience with 12d, AutoCAD and Landonline. You'll have a keen attitude and excellent attention to detail. Able to work independently, you'll also have the opportunity to share your knowledge and mentor junior staff. You must have New Zealand residency or a valid New Zealand work visa.

Please call Vergne Wilson on 027 307 7824 if you would like to discuss the role, or send us your CV and cover letter by email to [contact@southernland.co.nz](mailto:contact@southernland.co.nz) or post to PO Box 713, Wanaka 9343.
