

Survey Practice for Sale or Practice Management Opportunity

Are you ready for the next level? Would you like to make an exciting lifestyle choice in the Nelson/Tasman District and be your own Boss?

We are looking for genuine expressions of interest to take over the ownership or management of a busy rural based Survey Practice in the Nelson/Tasman Area with various purchase options available.

Survey Practice Manager

Are you interested in taking hold of the reigns and being your own boss? Do you like organising your own workload, engaging in interesting new challenges and finding solutions to client needs? Would you like to work for a progressive employer who has an R&D focus and embraces new technology?

We have an opening for a qualified Land Surveyor experienced in managing projects, workloads and clients with a focus on client satisfaction and quality. Holding LCS or RPSurv Status will be an advantage but not essential. Experience in RMA Resource Consent planning work, Land Development Engineering and Cadastral Surveying is preferred and are key aspects to the role.

Opportunity to advance to an ownership interest in the business will be available to the right candidate.

Land Surveyor

We have a potential opening for a qualified LCS or Survey Technician. Good all round land surveying experience in cadastral, topographical and Land Development Engineering fields is preferred. An interest in RPAS/UAV and spatial technologies would also be an advantage.
