

## LICENSED CADASTRAL SURVEYOR (MANAGER)

A position is available in our small-medium sized Mt Eden office, for a Licensed Cadastral Surveyor.

We specialize in residential subdivision and land development projects (mainly urban local developments).

**We are looking for an enthusiastic confident Licensed Cadastral Surveyor with:**

- 10 years survey experience.
- Strong skills in management, land development, project management, Subdivision Consent Planning, Resource Management and Scheme Plan Preparation.
- Knowledge of AutoCad and 12d, plus e-survey experience.

Good client and delivery focus with exceptional people and communication skills.

Ownership/ buy-in opportunity exists, we are open to discussing all options.

**We offer:**

- A supportive work environment and competitive salary package.
- A diverse workload.
- A friendly and supportive team culture.

For initial contact, please email **John Frear - [john@frear.co.nz](mailto:john@frear.co.nz)** with your contact details and suitable times for a confidential discussion.

***Please note: Only NZ registered Surveyors will be considered for this position.***
