**AWARDS OF
EXCELLENCE**

2016 Merit Winner

Senior Survey Technician

Primary Location: Whangarei; **Discipline:** Surveying; **Job No:** WGH/SST/190118

About Us:

- Multi-disciplinary and multi-cultural engineering consultancy firm founded more than 40 years ago.
- Offices in Whangarei, Auckland, Wellington and Christchurch with 70 staff from 13 countries.
- We have evolved into a team of surveyors, consulting engineers, project managers and architectural designers.
- We pride ourselves on the quality each person brings to our team and are always keen to hear from outstanding individuals to add to our growing, innovative, multi-disciplinary firm.

Job tasks and responsibilities

We have an immediate requirement for a **Senior Survey Technician** to join our amazing, talented, productive, diverse, multinational team. Based in our Whangarei office, current projects are underway awaiting your keen eye for detail and technical skills. If you are looking to take the next step in your surveying career within a supportive and empowering team environment, this is most definitely the role for you.

As a Senior Survey Technician you will:

- Be responsible for the preparation, calculation and application of survey information to meet our client's needs including but not limited to engineering set-out, land subdivision, redefinition & topographical surveys.
- Engage in communication as an engineer's representative/project manager with the client, council reps, the public and/or other professionals engaged on the associated projects.
- Have a level of confidence to work un-aided, but at the same time recognise when advice should be sought.

Skills and experience

- **5+ years' experience in cadastral survey in NZ**
- Proficient with field work techniques for GPS and Total Station work
- Proficient with 12D and Landonline
- Experience in the operation of a UAV would be an added bonus

Job benefits and perks

We offer:

- A flexible working environment
- Friendly family orientated office
- Social events and focus on a healthy work-life balance
- Support for ongoing professional development, training and mentoring
- Internal promotion opportunities
- The opportunity to be involved with a diverse range and scale of projects

Apply now!

If you would like to be an integral part of a growing, innovative multi-disciplinary firm, join us! Make the leap and apply by emailing your **CV and cover letter** to careers@coco.co.nz.

All applications and enquiries will be treated in the strictest confidence.

Please note that you must have a valid New Zealand work or residency visa to be considered for this position
