

## **Land Surveyor (Queenstown, Wanaka, Cromwell)**

### **Junior & Senior opportunities**

Human Connections Group has partnered exclusively with Paterson Pitts Group for the appointment of Land Surveyors based in Queenstown, Wanaka or Cromwell.

### **The Company**

Paterson Pitts Group is an established and reputable organisation that has been operating for over one hundred years. The business provides land survey and resource management services to clients throughout Otago and Canterbury and employs over sixty staff across their offices located in Christchurch, Dunedin, Alexandra, Cromwell, Queenstown and Wanaka and with plans to expand.

The size of the firm enables a range of professional services and expertise to be delivered locally, with the advantages of wider group support as required. The organisation has a broad and long-standing base of professional experience and have an extensive understanding of the relevant district and regional plans, bylaws, policies and procedural requirements of the various councils of Otago and Canterbury.

The team are a close-knit group of professionals who are supportive of each other and work in a collaborative manner at all times whilst having fun along the way.

### **The Job**

We are looking for Senior and Junior Surveyors/12d Model Operators to join the team. You will be a practical and experienced professional and have a track record in managing a variety of land development and cadastral projects or alternatively you could be an experienced 12d Model Designer who can demonstrate proficiency in alignment and surface engineering projects.

We have opportunities in Queenstown, Wanaka and Cromwell so depending on your chosen location you will report into the branch partner and work closely with staff and other professional organisations and community groups.

### **Skills and Expertise required**

- A degree in Land Surveying, Civil Engineering or Urban Design
- Experience in subdivision design using 12d model software
- NZ cadastral surveying and construction contracts and supervision,
  - Effective communication and collaboration skills
- Ability to think independently and manage projects with a high degree of autonomy

We will be offering a relocation package to candidates should they currently be located out of the South Island.

**To apply for these exciting opportunities, send your resume and covering letter to Emily Richards on [jobs@humanconnectionsgroup.com](mailto:jobs@humanconnectionsgroup.com) or call for a confidential chat on 0279596847.**
