

## Expressions of Interest for Geospatial Stream - Chair & Committee Roles

We invite interested members to apply for leadership roles in the Geospatial Stream at S+SNZ.

This is a valuable opportunity to influence and shape our offerings to Spatial professionals in New Zealand, while gaining leadership and governance experience.

### **Chair Position Requirements:**

- Full/Voting Member of S+SNZ
- Active in the New Zealand Spatial Industry, committed to supporting a thriving community
- Interest in guiding the direction of Spatial professional development in New Zealand
- Ability to understand, articulate, and drive necessary changes
- Initiative and willingness to lead the Spatial Committee
- Knowledge of barriers and opportunities for professionals in the New Zealand Spatial industry
- Confidence to represent the spatial stream and engage with our membership
- Passionate about making a positive impact and driving change.

### **Committee Member Requirements:**

- Member of S+SNZ
- Active in the New Zealand Spatial Industry, dedicated to supporting a thriving community
- Willingness to contribute ideas and energy to enhance Spatial Stream offerings
- Knowledge of barriers and opportunities in the Spatial industry, with a desire to enable S+SNZ to provide offerings aligned with industry needs
- Interest in volunteering for positive change
- Specific interests in one of the three focus strands (Developers, Data Insights and Visualisation (Digital Twin)) are beneficial, but not essential.

We welcome interest from individuals who are ready to play a key role in advancing the Geospatial Stream within S+SNZ. Your dedication and expertise will contribute significantly to the growth and success of our organisation. Please email [admin@surveyspatialnz.org](mailto:admin@surveyspatialnz.org) if you are interested or if you have any questions.
