

Licensed Cadastral Surveyor

Craig Horne Surveyors Ltd

There is an opportunity for a Licensed Cadastral Surveyor to join our Mosgiel office offering a permanent position and a wide range of survey work. The proposed role is flexible depending on the applicants' experience.

Craig Horne Surveyors Ltd

- The company is a small busy survey practise operating from its Mosgiel base.
- The company has been in operation for 17 years and has an established client base.
- A wide variety of survey work is undertaken with rural subdivision and small to medium sized residential subdivision being the majority of the work load.
- The workload is concentrated around Dunedin and Mosgiel and extends to Central Otago, Waitaki and Clutha Districts.

Proposed Role

- The role is flexible depending on the applicants' experience. Preferably 5 years New Zealand experience as a Licensed Cadastral Surveyor.
- The successful applicant will enjoy a full variety of survey work with the satisfaction of seeing jobs through from start to finish.
- Ideally the role will suit someone with the ability to self-motivate and work with minimal supervision.
- The work will entail client consultation and subdivision design, applying for subdivision consents, undertaking field surveys, preparing survey datasets to LINZ approval, engineering design and supervision and CAD drafting.
- There is potential for flexibility to work from home or the company's office and for flexible working hours.

The Opportunity

- Mosgiel is a growing town of 13000 population with all the facilities and amenities available locally that you will need to enjoy living in the area.
- Mosgiel boasts a warmer climate than Dunedin being inland and away from the coastal influence.
- Dunedin is a short 15-minute trip and offers the benefits of a larger city including Otago University, Forsyth Bar Stadium and a number of high profile schools.
- Mosgiel is ideally located to access the Central Otago towns, lakes, ski fields and general playground.
- Housing in Mosgiel and Dunedin is still affordable in comparison to much of New Zealand.

Please send your CV to Craig Horne at crhorne@xtra.co.nz or phone Craig (027 479 2382) for a chat to discuss the possibilities.
