

PATERSON PITTS GROUP

LAND SURVEYOR / 12d MODEL DESIGNER

Queenstown, Cromwell, Wanaka offices

We have vacancies for experienced Surveyors / 12d Model Operators, to join our busy Central Otago offices. We have opportunities for practical and experienced professionals to manage a variety of land development and cadastral projects within the Queenstown, Cromwell/Alexandra, Wanaka areas, or alternatively, experienced 12d Model Designers who can demonstrate proficiency in alignment and surface engineering designs (12d Model) for a number of unique projects. All applications and enquiries will be treated in strictest confidence.

We are seeking highly motivated Surveyors and/or experienced 12d Model Designers, who can exhibit the following attributes :

- Experience in subdivision design using 12d model software, NZ cadastral surveying and construction contracts and supervision, and/or 12d model alignment and engineering design
- Relevant Tertiary qualification
- Effective communication and collaboration skills
- Ability to think independently and manage projects with a high degree of autonomy

We offer the following :

- A variety of interesting projects
- Friendly offices
- Attractive salary and conditions
- Employment in a vibrant and growing region, with numerous opportunities for outdoor pursuits.

For more information, or to lodge an application before 9 April 2018, please contact :
