Licensed Cadastral Surveyor

Applications are invited from Licensed Cadastral Surveyors to fill a vacant position within our award-winning firm in Cambridge.

Cogswell Surveys Ltd has a long and strong connection with Cambridge. We specialise in Land Development projects with a variety of large residential developments under design and construction. The successful applicant will play a key role in these projects.

The successful applicant will:

- Have a positive can-do attitude;
- Be self-motivated and have an eye for detail;
- Be able to supervise and mentor junior staff;
- Have the ability to innovate;
- Have an expert knowledge of the NZ cadastral system;
- Advanced engineering design skills;
- Be familiar with Leica Total Stations, Topcon GPS and Machine Control;
- Be proficient with 12d software & Landonline.

Cogswell Surveys Ltd offers an excellent work environment, the best most accurate equipment, and sets high standards.

This is a full time position with a start date at the earliest possible convenience. A competitive remuneration package will be negotiated with the successful candidate.

Cambridge is a friendly, relaxed and rapidly growing town and has been the subject of huge growth over the last few years being a popular place to live in close proximity to Hamilton, Lake Karapiro and both coasts.

Applications treated with the strictest confidence.
