

SOUTHERN LAND

SURVEYING | PLANNING | LAND DEVELOPMENT

Southern Land is a medium sized consultancy with a head office in Wanaka and smaller offices in Queenstown and Auckland. We are seeking Surveyors to join our thriving team.

The successful applicants will gain considerable experience working on a varied range of projects for our diverse client base. Our work covers the full spectrum of services, from topographical and Land Transfer surveying, set-outs and resource management planning, to civil design and project management. You will be involved at the forefront of some exciting land developments across the Otago or Auckland regions, including rural, urban and commercial projects. "Bored" is not a word in our dictionary.

We offer highly competitive pay rates, and the opportunity to work in a multi-disciplinary team of experienced and friendly professionals, in New Zealand's adventure playground or the beautiful harbor region of Auckland.

You will be a technician, graduate, experienced or Licensed Surveyor who is familiar with 12d, AutoCAD and Landonline and who has strong skills in the field with GPS and Total Station. Cadastral experience would be an advantage. You'll have a keen attitude and excellent attention to detail. You must have New Zealand residency or a valid New Zealand work visa.

Please call Vergne Wilson on 027 307 7824 if you would like to discuss the role or send us your CV and cover letter by email to contact@southernland.co.nz.
