QUESTION: HOW CAN WE PROTECT PEOPLE & ASSETS?

ANSWER: INNOVATE!

1. Risky Business

Please keep
2 metres apart

Unite
against
COVID-19

New Zealand Government

2. No i in Team

3. Plenty of Toys

4. Fortune Favours the Brave

Testing and Results

Feedback from KiwiRail

“The **elegance and simplicity** of the solution, and the coming together of multiple people across a number of organisations, has delivered a **true innovation** that offers a significant improvement to the **safety of our people** and security of our assets”

A decorative graphic in the top left corner consists of a grid of white lines forming a series of triangles of varying sizes, creating a geometric pattern that tapers towards the left edge.
