[UPDATE DETAILS](#)

## Budget Time

It's budget setting time here at S+SNZ and, as with every year, there is a tension between what we want achieve to satisfy the Council's Letter of Expectation and what is financially possible. The challenge is always how to best allocate funds to gain maximum benefit for our members. The coming year will see exciting developments in the Certification area - see the two progress updates on our advocacy and certification programmes below.

We are getting close to the end of our super-early conference registration offer and I'm delighted to see registrations are tracking well. The conference programmes get better and better each year. You can see this year's line-up on the conference website. See the link below.

I extend my congratulations to all people who completed the Professional Exams in April. Once again these were conducted online due to COVID restrictions. This is additional complexity for the candidates who are already under exam pressure so well done!

## S+SNZ AWARDS

## S+SNZ 2022 AWARD NOMINATIONS

### **The 2022 Award Nominations Are Open**

It's time to think about who is deserving of special recognition for all the excellent work they do for the sector and S+SNZ. We are now accepting nominations for the 2022 Survey and Spatial NZ Awards which acknowledge excellence of members within our organisation. Nominations close 30 June 2022.

Links to Nomination Forms:

- [Fellowship Nominations](#)
- [Bogle Young Professional of the Year Award](#)
- [Honorary Member](#)
- [Fulton Bequests](#)
- [Technicians Award](#)
- [Survey and Spatial Award](#)

For more information on the award categories visit the [Awards web page](#).

### **Cadastral Survey of The Year Award**

Nominations for this award close 10 June 2022. For more information and the guidelines see the [Cadastral Stream webpage](#).

# ADVOCACY

## **Certification Programme Pilot Underway**

The Pilot for the new Certification Framework and Assessments of Competency is underway and will be completed just prior to our Annual Conference. The two initial programs included are the Competence Certifications for

Land Development Engineering and Engineering Surveying. May/June is dedicated to the certifying of Assessors. June/July is dedicated to the assessment of the first cohort of candidates. We are exceptionally grateful to the S+SNZ branches and various firms who have put forward Assessors and Candidates. The programme contact is [jayne@surveyspatialnz.org](mailto:jayne@surveyspatialnz.org).

## **Progress on Regulation of Subdivision Engineering**

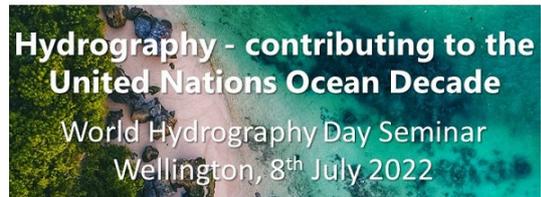

In 2021 a submission was presented to MBIE - the ultimate goal to have Land Development Engineering recognised as a class of licence under a new regime being introduced. The regime is to regulate all those professionals practicing engineering of any kind, including Land Development & Subdivision Engineering that is practised by so many S+SNZ members.

Linked to the Certification Programme under development, this is piece of work is of enormous importance for our Land Development Stream members and other surveyors practising in this area. A webinar will be presented by MBIE in the near future outlining the new regime and the timeline moving forward. [Read the full update on this initiative here.](#)

**ISSUE 306 OF THE NZ SURVEYOR JOURNAL  
HAS BEEN PUBLISHED**

[Read the Issue 306](#)

### **WORLD HYDROGRAPHY DAY SEMINAR - 8 July 2022**

For those who are interested in the World Hydrography Day, a one day seminar following the IHO theme "Hydrography - contributing to the United Nations Ocean Decade" is being held 8 July. Check [out here](#) for more information.

## **MEMBERSHIP**

## MEMBERSHIP RENEWALS

Preparation is underway for the 2022-2023 membership renewals due in early July. We have successfully offered bulk invoicing to companies that have multiple members to reduce the number of individual invoices sent out. Over 20 firms currently use this service -if you would like to take part in this offer, and receive one bulk invoice, please email [admin@surveyspatialnz.org](mailto:admin@surveyspatialnz.org).

### Are You Maximising Your Membership Listing?

The S+SNZ website has several [member directories](#) that can be used as a tool to promote yourself and your business. You can control your privacy settings and add a business profile. Log-in to [www.surveyspatialnz.org.nz](http://www.surveyspatialnz.org.nz), click on **DASHBOARD** and use the menu to add a profile and change your privacy settings.
